Florida Turfgrass Symposium 2012

The University of Florida IFAS and the Florida Turfgrass Industries are hosting three regional Turfgrass Seminars throughout the state of Florida. These seminars provide educational programs on topics such as turfgrass management, environmental protection, water quality and BMP’s among others.

We are inviting Extension agents, Master Gardeners, and community leaders to attend. Attendees will receive CEUs in Best Management Practices, Certified Crop Advisor Credit, Florida Department of Agricultural and Consumer Services and International Society of Arboriculture.

The University of Florida IFAS and the Florida Turfgrass Industries are hosting three regional Turfgrass Symposia throughout the state of Florida. These symposia provide educational programs on topics such as turfgrass management, environmental protection, water quality and BMP’s among others.

We are inviting; Extension agents, Master Gardeners, and community leaders to attend. Attendees will receive CEUs in Certified Crop Advisor Credit in the following educational areas: Nutrient Management, Soil and Water Management, Pest Management and Crop Management. The Florida Department of Agricultural and Consumer Services (FDACS) will be offering CEUs in Pesticide Certification Standards, ornamental and turf pest control and private applicator agricultural pest control and Right-of-Way Pest Control. FNGLA Certified Professionals will receive 4 CEUs for Horticulture Professionals, Landscape Technicians, Landscape Maintenance Technicians, Landscape Contractors and Landscape Designers.

Registration is $20 (cash only) due the day of the seminar. Travel expenses will be reimbursed for the first 20 County Extension agents to register and Master Gardeners are free!

To register contact Claire Lewis, Clairehellis@ufl.edu, at least two days prior to the seminar for meal preparation purposes. Please indicate the date you plan on attending, your contact information, and if you have any dietary restrictions.

June 7th
Leon County

July 24th
Osceola County

August 2nd
Broward County

### Directions

From I-10, take Exit #199 (Monroe Street / US-27) south. Travel through Tallahassee, and turn left on Paul Russell Road. The Extension Office-a small, one-story, white building-is on the right.

If you have questions contact Claire Lewis at Clairehellis@ufl.edu
Directions:
From Florida’s Turnpike Northbound, take Exit #242 (Kissimmee-St. Cloud), turn left (west) onto US-192; go approximately three miles (four traffic lights) to Bill Beck Blvd. Turn right. The main entrance to Osceola Heritage Park is 2/10 of a mile. Turn left at the first intersection onto Chief Osceola Trail and then right onto Kissimmee Valley Lane. Use the parking lot in front of the Extension Offices.

If you have questions contact Claire Lewis at Clairehells@ufl.edu
